

**Lightning Surge Protectors for
Electronics Equipment M-RESTER**

WIRING BRIDGE

Functions & Features

- Easy cross-wiring of multiple MAKx to the common ground

MODEL: CNB-[1]

ORDERING INFORMATION

- Code number: CNB-[1]
Specify a code from below for [1].
(e.g. CNB-3)

[1] NUMBER OF POLES

- 2: Two poles
- 3: Three poles
- 4: Four poles

GENERAL SPECIFICATIONS

Material

Conductor: Nickel-plated copper

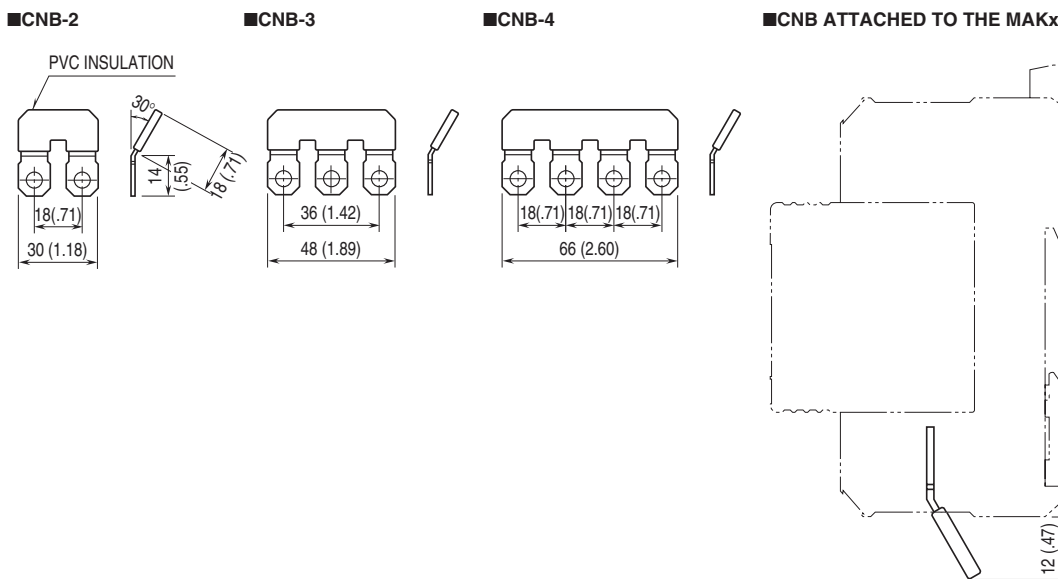

Insulation: Polyvinyl chloride, black

INSTALLATION

Weight

- CNB-2: 10 g (0.35 oz)
- CNB-3: 15 g (0.53 oz)
- CNB-4: 20 g (0.71 oz)

DIMENSIONS unit: mm (inch)

The Wiring Bridge cannot be combined with the Single Mount Adaptor (model: MBS).

Specifications are subject to change without notice.
